<p style="writing-mode: vertical-rl; transform: rotate(180deg);">"Suggested Changes in blue and underlined" to the AK. Republican Education Platform</p>	<p><i>(From AK Republican's Statement of Principles-Alaska Republicans Believe :)</i></p> <p>Education is the most important investment we can make in our future, and we support parental control and responsibility, local control <u>when it does not suppress competition or choice and high academic standards. and innovative competition.</u></p> <p>(From Platform Planks II Education)</p> <p>E. We support maximizing local control of public education. We support high educational standards that are academic, and the development of cognitive skills, that can be measured by standardized testing. We oppose any federal testing programs.</p> <p><u>E. We support maximizing competition in public education, with systems providing extensive parental choice. Local control of education can also be an important force providing it does not limit competition or parental choice.</u></p> <p><u>F. We support high educational standards that are academic and the development of cognitive skills that can be measured by standardized testing. We oppose any federal testing programs.</u></p> <p><u>G. (formerly F.)</u> We support high standards and the use of competency testing for educators.</p>

If you can not make it to your party's caucus but do know any of the members listed at this website (<http://alaskarepublicans.com/committee.php>), please send this document to them and ask them to consider the changes. If nothing else, it will begin a dialogue amongst the party regarding homeschooling in Alaska! You can refer them to our website (www.AHEAnow.org), if that is helpful!
